In June 1976, Mrs. E. Lorin (Genevieve) Dennison, President of Twentieth Century Club, with the intention of preserving important documents for future generations of historians, added materials to the existing Nevada Historical Society Twentieth Century Club Collection. The Historical Society curator of manuscripts was L. James Higgins, Jr.

Records of the Twentieth Century Club were kept at the Twentieth Century Club Clubhouse (First Street & Arlington) until the sale of the Clubhouse in 1984. At that time, many materials were turned over to the Historical Society. Records deemed to remain with Twentieth Century Club were kept at the home of President *Beuna Cotter*. On June 29, 1988 a Records Review Committee, *Lucile Briles, Barbara Shelly, Dorothy Rose, Frances Rice, Roz Cromer* and *Beuna Cotter* met and sorted through records. The materials were given to the Nevada Historical Society and the collection has been added to as the years have passed.

Twentieth Century Club member and Nevada Historical Society docent, *Kathryn Crouse* took on the huge task of sorting the records and in November 1985 compiled a Guide to the Records.

In August 2007, the materials and Guide to the Records needed attention and were updated and have been kept as current as possible. President, *Helen DeMarco*, and Board Members, *Mollie Blicharz, Beverly Waldron* and *Nancy Lee Johnson* sorted and updated the Twentieth Century Club records.

May 2009, *Helen DeMarco* was designated Archivist for Twentieth Century Club and kept files current until her resignation in May 2016.

NOTE: University of Reno Library Special Collections Department holds some materials of Twentieth Century Club (NC934-936) including copy of the 1907 Twentieth Century Club Cook Book.
