TRIGUEIRO FAMILY

Anthony (Tony) Trigueiro was born in Lovelock, Nevada on November 30, 1927 to Antonio Trigueiro and Marie (Alves) Trigueiro. He graduated from Reno High School in 1945 and served in the U.S. Navy during the waning days of World War II. He worked for 36 years for First Interstate Bank (originally First National Bank) of Nevada and retired as a branch manager in 1982. He was married to Florine (Pilcher) Trigueiro for 39 years. They had four children.

Trigueiro was active in numerous civic and fraternal organizations, including the South Reno Lions Club, Reno Moose Lodge No. 2249 where he was administrator for 10 years, the Elks Lodge No. 597, a founder of the Reno Continental Little League baseball program, and served three and one-half years on the Washoe County Grand Jury. Florine Trigueiro was a member of the Reno Republican Women's Club, the Reno Emblem Club, the Reno flower show, Reno Lioness Auxiliary and Women of the Moose Chapter 2150.

Anthony Trigueiro died in Reno, Nevada on July 9, 2003, and Florine passed away two years later on the same month and day.

SCOPE AND CONTENT OF THE COLLECTION

The Trigueiro family papers include a very limited amount of personal and business correspondence pertaining to Anthony and Florine, and a few other family members. There are a number of personal documents including school diplomas, report cards, legal papers, funeral and birth announcements from friends and relatives, graduation notices, and similar materials.

There are seven folders relating to financial records, including miscellaneous receipts, investments, bank statements, canceled checks, etc. which are incomplete, covering only a few scattered years or portions of years. The collection includes twenty folders involving fraternal, civic and political endeavors of both Mr. and Mrs. Trigueiro including their activities in various clubs, lodges, political organizations as well as Mr. Trigueiro's Grand Jury service from 1968-71.

The collection contains a large number of family photographs, but the vast majority are undated and the subjects unidentified. The folders are divided into slide photos, portraits and professional photographs, and five folders of snapshots. There are two folders containing picture post cards and two albums including a wedding photo book presumably from daughter Evelyn Trigueiro's marriage and a large album/scrapbook mostly relating to Florine Trigueiro's ancestors, including photographs from the 19th and early 20th centuries.

Rounding out this collection are eleven folders of printed materials which include newspaper clippings, pamphlets, newsletters, a baby book for Evelyn Trigueiro, an assemblage of stories and humorous writings, a high school memory book for Winifred Hiser (Florine's mother), Florine's high school yearbook from 1944, and two folders of cook books and recipes. Lastly, there are four pieces of art work including three medium sized drawings and one painting.
