(MS/NC 1075)**

SCOPE AND CONTENT OF THE COLLECTION

This ledger records federal business taxes paid, apparently by brewers and retailers of liquor and tobacco, in the district of Nevada in 1883 and 1884. It lists the taxpayer's name, type of business, place of business, date of payment, amount of tax, year (ending April 30) tax was paid for, serial number of stamp, and any remarks. Some of the pages in the volume have been used for a personal expenditure record and to solve mathematics problems.
