SCOPE AND CONTENTS

Included in the collection are personal items before she was married (Rose Sala), and items after her marriage (Rose Bullis).

After her retirement from the Washoe County School District she was Adjunct Professor for College of Education at the University of Nevada, Reno. In the collection are some of her teaching and workshop materials.

In the collection are many of the video tapes of “Lifelong Learning” that she hosted. They were Produced by Sierra Broadcasting (URNV, channel 4, Reno), in cooperation with The College of Education, University of Nevada, Reno.

Also, included in the collection are items when she was President of the Washoe Landmark Preservation Board regarding the Lake Mansion and the Glendale School.

The collection consists chiefly of Reno and northern Nevada school records collected by Bullis, who was for many years a teacher and then an administrator for the Washoe County, Nevada School District, headquartered in Reno. There are records from the old Reno School District #10, Reno’s Billingshurst Junior High School, the Mary S. Doten, Orvis Ring, Mt. Rose and Reno’s Sierra Vista Elementary Schools, and the Wadsworth School in Wadsworth, Nevada. There is a United PTA Ledger of students in the Reno City Schools, 1918-1920, and miscellaneous records, photographs, and printed materials relating to individual educators, teaching practices, and education in the state of Nevada.

Included in the collection are school registers for the Billingshurst Junior High School from 1930 to 1972. Orvis Ring Elementary School records include registers from 1965-66 to 1969-70 and class photographs from 1958-59 to 1960-61 and 1963 to 1974-75. The school closed in 1975 and there is a “I Remember Day” scrapbook from that year with names, photographs, newspaper clippings and three letters.

The Wadsworth School records include among other things, warrants, enrollment cards and school yearbooks, while the Sierra Vista materials contain attendance records, 1959-1963.

There are also records for the Mothers Clubs and/or Parent-Teachers Association chapters at Orvis Ring School, and Andersen School, Wadsworth School, Mary S. Doten School, and Mt. Rose School, as well as a scrapbook compiled by Reno’s United Parent-Teacher Association in the late 1940’s.

Additionally, there are 18 scripts written for a local television series produced by The Washoe County School District for Nevada’s Statehood Centennial in 1964. The scripts focus on the history of various schools, pioneer songs, and the early development of the Truckee Meadows.
