Disbursements by Denver office.

Discontinuance of misc. collections.

Box #1-Contents (Continued)

File 18 Accounting-General: 1926

List of water users in the Truckee Division
Notes given by water users; secured by crop mortgages (season 1926) in lieu of cash payments of charges for year 1924 in order to permit delivery of irrigation water.
Sale of reserve lands-Reclamation Project.
Crop mortgages

File 19 1-a-Accounting-General: 1926/27

Transfer of files from McKay Dam to Newlands Project.
Write-off of losses authorized by Act of May 25, 1926 (Newlands Project).
Delinquent payments-Newlands Project.
Power and grazing land revenues-Newlands Project.

File 20 1-a-Accounting-General: 1928/29

Closing accounts in connection with work done by the government on the Newlands Project.
Reservation of Fallon office records, files, engineering maps and data pertaining to the Newlands Project.
Various correspondence dealing with cost reports, lease of lands, transfer of accounting records to the Washington D. C. office, summary of store accounts, Umatilla Project transfer voucher, shipment of Newlands Project general books, and profits from sale of power and other privileges.

File 21 Vouchers, Accounts, Etc. (cost): 1904/05

Correspondence regarding pay roll accounts, questions and funds available under the Reclamation Law of June 30, 1904.

File 22 Vouchers, Accounts, Etc. Accounts: 1906/07

File contains numerous letters pertaining to sale of tobacco to men in the construction camps, bookkeeping, debit notices, supply purchases and appointment of disbursing agents. Vouchers include travel expenses and services for employees, express/freight and transportation.

File 23 Vouchers, Accounts (cost): 1908-1910

Notification by letter and/or vouchers for employee payments, supply purchase, bookkeeping and debit notices.

File 24 Vouchers, Accounts: 1912-1914

Correspondence from project engineer to employees regarding travel orders, purchases, express/freight and renting government property.

File 25 Vouchers, Accounts: 1915

Water user accounts, Transfer voucher-Shoshone Project and Transfer voucher -for land drawing. Correspondence regarding purchase of Truckee Dam site from Southern Pacific Co.

Misc. letters pertaining to services, expenses, and payroll accounts.

BOX #2

Contains 20 file folders.

File 1 Costs-Cost keeping, Bookkeeping, Accounting: 1905-1907

Various letters regarding weekly progress reports showing work completed on the Truckee Canal (Division 1). Includes force employed, material delivered and work done by various contractors/or the Government. Cost compiled for structure "D" 126+00-Truckee Carson Project. Estimation cost of project.

File 2 Vouchers, Accounts: 1916

Letters regarding water users accounts, preparation of disbursements from Indian and Reclamation funds. Reference to a report on uncollected accounts, transfer of appropriation-Truckee Carson Project. Reference of the Boise and Flathead projects.

File 3 Vouchers, Accounts: 1917

Misc. letters pertaining to transfer and travel vouchers. Inspection report and uncollected accounts.

File 41- a- 1 Accounts, Vouchers: 1918/19

Correspondence from various companies regarding payments for services rendered, owed or in question. Travel vouchers and payroll vouchers

File 51 Accounting, General Vouchers: 1920-1922

Correspondence from various companies and individuals requesting payment for services and purchases. A variety of vouchers, letters and memos.

File 61-a-1 Accounting, General Vouchers: 1923-1926

Misc. correspondence regarding payment for purchases, services and payroll request. Vouchers, letters and memos.

File 71-b Accounting, Collections: 1918/19

Various letters requesting payments. Included is instruction for collection of war tax on Government items and revenue tax rates. Misc. accounts.

File 81-b Accounting , Collections: 1920/23

Correspondence regarding various outstanding accounts.

File 91-b Accounting, Collections, Misc.: 1924/25

Outstanding accounts.

File 10 1-b Accounting, Collections: 1926-1929

Delinquent accounts.

Box #2-Contents (Continued)

File 11 Costs, Cost-keeping, Bookkeeping: 1908-1910

O. & M. accounts. Classification of general ledger accounts. Various letters pertaining to bookkeeping such as balance sheets.

File 12 Accounts, Cost-keeping: 1917-1918

Letters regarding classification of cost keeping, O. & M. reports.

File 13 1-c Accounting and Cost: 1919-1920

Memorandum referring to construction cost summary-Truckee Carson project. Letters pertaining to cost reports and maintenance.

File 14 1-c Accounts: Cost-keeping: 1921-1924

Correspondence pertaining to cost reports, O. & M.. reports and dragline plant accounts.

File 15 1-c Accounting-Cost: 1921-1928

Correspondence regarding cost of painting penstocks, yearly cost reports and calendar year costs. Also cost and returns report and Bureau of Reclamation, Newlands Project Nevada, cost and returns report June 30, 1927.

File 16 1-d Accounting-Disbursing: 1919

List of outstanding checks.

Treasury Department-1919 Department Circular No. 170 -Regulations governing deposit of public moneys and payment of government warrants and checks.

File 17 1-d Accounting-Disbursing: 1920

Various letters and schedules regarding collections, accounts paid, and vouchers of returning disbursements to project.

File 18 1-d Accounting-Disbursing: 1921

Letters and vouchers pertaining to public moneys, deposits, Federal Reserve Banks, depositories and payments due.

File 19 1-d Accounting-Disbursing: 1922

General account statements, vouchers and explanations relating to the Reclamation Fund and Special Fund.

File 20 1-d Accounting-Disbursing: 1923

Check correspondence and request for funds. Numerous vouchers and letters.

Box #3

Contains 18 file folders

File 1 1-Accounting d-Disbursing: 1924

Abstract of disbursements and analysis of collections. Payment vouchers and certificate of settlement of accounts.

File 2 1-d Accounting-Disbursing: 1925

Statement of disbursing accounts, collection of water right charges, and various notices of payments due. Vouchers in favor of Hercules Powder Co.

File 3 1-d Accounting-Disbursing: 1926

Includes letters, vouchers, contracts, bills, repayments and registers pertaining to accounts.

File 4 Accounting-Disbursing: 1927

Certificate of settlement of account. General accounting statements and letters concerning various accounts.

File 5 1-d Accounting-Disbursing: 1928-1929

Misc. statements and notices of contracts for gasoline, state tax on gasoline and official checks. Amended Government travel regulations and advances of public funds for travel expense. Letters referring to personnel accounts.

File 6 1-e Accounting-Increased Compensation: 1918-1923

Voucher accompanying numerous list of Reclamation employees with their job titles. Increase compensation for employees.

File 7 1-f Accounting-Retirement Fund: 1920-1928

Correspondence dealing with the Retirement Act Affidavits, and employees retirement. Information and notification regarding retirement.

File 8 1-g Accounting-Travel Expenses, Subsistence, Etc.: 1918-1925

Travel regulations, telegram forms and request for payment for travel.

File 9 Appropriations: 1904-1918

Various statements dealing with the present condition of the reclamation work of the Walker River Project. Includes total and estimated expenditures connected with. Quarterly estimate reports.

File 10 Appropriations: 1911-1912

Quarterly estimate reports. Correspondence dealing with recommendations for construction and repair work-Truckee Carson Project. Includes appropriation bookkeeping.

Box #3-Contents (Continued)

File 11 Appropriations: 1913

Bookkeeping reports.

Summary-"Estimated Building Cost to Complete Truckee-Carson Project, Dec. 31, 1913.

Budget: Truckee-Carson Project, Dec. 31, 1913

File 12 Appropriations: 1914

Estimated expenditures, estimate of work to be performed.

Project estimates-Jan. To June 1915 (for secretary's approval) and fiscal year 1916 (for submission to Congress)-compiled Sept. 1, 1914.

File 13 Allotments-Expenditures: 1915 (No. 44)

Receipts, estimates for fiscal year.

"Supplementary Statement of Estimates of Appropriation of Reclamation Fund for the Fiscal Year 1916".

File 14 Allotments-Expenditures: 1916 (No. 44)

Contracts, estimates, and progress of expenditures from allotments.

Booklet-Department of the Interior, United States Reclamation Service

"Proposed Work on Reclamation Projects" during fiscal year 1917

Charts-estimate and authority for work and color coded progress charts for expenditures from allotments. Rough data used for preparation of estimates for appropriations FY 1918.

File 15 Allotments-Prag. of Expenditures: 1917 (No. 44)

Estimates for appropriation-FY 1919Truckee-Carson Project includes rough pencil data prepared by D. S. Stuver Asst. Eng. 8-20-1917. Correspondence regarding estimates and authorities.

1-general map: Truckee-Carson Project; proposed Lahontan Bench Canal

1-map: area being prepared by U.S.R.S proposed drains T.18N., R.29E and T.17N., R.29E

File 16 2-Appropriations, Allotments, Estimates, Authorities, F. Y. 1920

Canal System, Truckee Canal-Truckee Division estimate and authority. Information for data for appropriation Committee hearings.

Blue print map-7029-42A

File 17 Appropriations Committee-Trip of Congressional: 1920

Correspondence regarding the Appropriations Committee of the House of Representatives tour of the national parks and the reclamation project.

* Telegram to John Richardson Reclamation Service Project Manager from George Winfield regarding trip to Fallon, Nevada June 23, 1920. Misc. correspondence from George Winfield.

File 18 **2-Appropriations, Allotments, Estimates, Authorities, F. Y. 1921**
Newlands Project estimate for appropriation. Correspondence referring to Rio Grande,
Project New Mexico.

BOX #4

Contains 25 file folders

Correspondence includes estimate of appropriation for proposed work for construction and operation and maintenance. Also included, authority for work after funds appropriated and allotment made.

File 1 **2-Appropriations, Estimates, Authorities, F. Y. 1922**

File 2 **2-Appropriations, Estimates, Authorities, Allotments, F. Y. 1923**

File 3 **2-Appropriations, Estimates, Authorities, Allotments, F. Y. 1924**

File 4 **2-Appropriations, Estimates, Authorities, Allotments, F. Y. 1925**

File 5 **2-Appropriations, Estimates, Authorities, Authorities, F. Y. 1926**

File 6 **Appropriations and Allotments-1927**

File 7 **Appropriations and Allotments-1928**

File 8 **Appropriations and Estimates-1930**

File 9 **Berkeley Laboratory-includes 1903-1910**

Correspondence pertaining to laboratory samples of soil in Fallon, Nevada.

Misc. correspondence regarding the earthquake of San Francisco.

Results of examination of water in and around Fallon, Nevada

File 10 **Board Meeting-Idaho-October 1909**

File 11 **Army Board-1910**

Correspondence regarding inspections of various projects.

Includes data for the Board of Army Engineers.

File 12 **Board of Review, Meetings and Conferences-1916-1917: No. 55**

*Correspondence includes letters to the Governor of Nevada, Emmett D. Boyle.

File 13 **3-Board Meetings and Consulting Engineers-1918 to 1922**

(For Board Reports see 43-b)

File 14 Board Meetings and Conferences-1926

File 15 4-Carson Lake Pasture, 1917-1918
Correspondence regarding lease of lands, agricultural and grazing leases.
Includes numerous maps and blueprints. Monthly reports of Range Rider.

Box #4-Contents (Continued)

File 16 4-Carson Lake Pasture-1919

File 17 4-Carson Lake Pasture-1920
Correspondence includes a copy or the importance of the Green Head Hunting Club (Churchill).

File 18 Carson Lake Pasture-1921-1922

File 19 4-Carson Lake Pasture-1923

File 20 4-Carson Lake Pasture-1924 (Operation of): See 21-a, Lease or Sale to Irrigation Dist.

File 21 Carson Lake Pasture-1925

File 22 Carson Lake Lands, Lease of-1909-1910

File 23 Portland Office-Circular Letters-1908 to 1910

File 24 Circulars-Washington-1911

File 25 Circulars-Letters-1912

Box #5

Contains 19 file folders

File 1 Circular letters-1913

Correspondence pertaining to size of farm units, Indian irrigation, capital required by an irrigation farmer, cost operating mess houses and various other state projects.

File 2 Circular letters-1914

File 3 Circulars-Washington July 1915-Dec. 31, 1915

File 4 Circular-Letters: 1916-1917

File 5 8- a Construction, General, Engineer Reports 1904-1906

File 6 8-a Construction, General 1912

Misc. correspondence and blue prints dealing with use of a belt conveyor for handling large capacities of material for building purposes.

File 17 **12-a-Equipment/Automobiles and Trucks: 1921-1928**

Correspondence pertaining to purchase of automobiles/ touring cars, trucks and tires used by the U. S. Reclamation Services. Includes bill of sales, accident reports and invoices.

Box #8-Contents (Continued)

File 18 **12-b-Equipment/Appraisal and Board of Survey: 1919-1920**

Forms requesting property inspections of public property and what dispositions should be made.

File 19 **12-b-Equipment/Appraisal and Board of Survey: 1921-1923**

Correspondence pertaining to equipment available for transfer and report of Board of Surveys.

File 20 **12-Equipment-b-Appraisal and Board of Survey: 1924**

Information regarding equipment destroyed by fire at the Newlands Project (June 13, 1924), and list of equipment for transfer.

File 21 **12-b-Equipment/Appraisal and Board of Survey: 1925**

List of equipment lost and G.M.C. truck parts (Shoshone Project) on hand in the Powell Garage.

File 22 **12-b-Equipment/Appraisals and report by Board of Survey on equipment to be disposed of: 1926**

Includes non expendable property return, list of dealers in used equipment, and sale of Bucyrus dragline.

File 23 **12-b-Equipment/Appraisals and report by Board of Survey on equipment to be disposed of: 1927**

Correspondence in reference to purchase of telephone lines from Truckee to Lake Tahoe, disposition of improvements on farm unit on which water right has been canceled and disposition of buildings near Fallon, Nevada.

File 24 **12-b-Equipment/Appraisals and report by Board of Survey on equipment and supplies to be disposed of: 1928**

Includes offers to purchase Bucyrus draglines.

File 25 **12-c-1-Equipment/Diamond Drill: 1904-1905**

Correspondence regarding two employees that had differences and can no longer work together. Result-Government equipment/tools taken and/or thrown in the river. Reference to drill work that is authorized.

File 26 **12-c-1-Diamond Drill Work-Correspondence: 1906-1910**

Correspondence includes weekly drill reports, sketches, bills of shipment of machinery, and 1903 Henness Pass Dam and Reservoir blue print.

File 27 **12-c-2-Dragline Operation/Equipment: 1911**
Letters regarding capacity of Bucyrus dragline, messages pertaining to Excavator Erector, and letters of information about Caterpillar Land Levellers.

Box #8-Contents (Continued)

File 28 **12-c-Equipment/Dragline Excavators: 1918-1920**
Correspondence and data pertaining to the purchase of dragline and canal cleaning equipment. Includes 1 b/w photo-Ditch cleaning machine-mfgr-Ruth Co. (ladder bucket type) *note photo has been cut in half.

File 29 **12-c-Equipment/Dragline Excavators: 1921-1923**
Correspondence regarding lighting plants on walking dragline excavators, keeping dragline repairs, etc. in Denver and lubrication of internal combustion engines on excavating machines. Correspondence with Monighan Machine Co. of Denver, CO.

File 30 **12-Equipment-c-Dragline Excavators: 1924**
Correspondence with numerous companies regarding construction equipment for sale and improvement of defects in Class 14 Bucyrus Dragline.

File 31 **12-c-Equipment/Dragline Excavators: 1925**
Correspondence in reference to repair parts for dragline excavators and ditch cleaners.

File 32 **12-c-Equipment/Dragline Excavators and Repair Parts: 1926**
Numerous letters-subject: repair parts for Monighan Dragline.

File 33 **12-c-Equipment/Dragline Excavators and repair parts: 1927**
Various letters regarding repair parts for Dragline Excavators.

File 34 **12-c-Equipment/Dragline Excavators and repair parts: 1928-1929**
Correspondence pertaining to transfer of repair parts .

File 35 **12-d-Equipment/Engineering: 1915-1920**
Correspondence referring to Water Stage Recorders, blue prints, supplies and three-arm protractors.

File 36 **12-d-Equipment/Engineering: 1922-23**
Correspondence regarding stop watches lost and various inquiries pertaining to a blue print machine and various engineering equipment.

File 37 **12-Equipment-d-Engineering: 1924**
Various correspondence relating to current meters, repair of Thacher calculating machine, and directions for the installation and care of the Gurley Automatic Weight Driven Water Stage Register.

File 38 **12-d-Equipment/Engineering: 1925**

Information and correspondence relating to Hoff Current Meter rating tests. Includes numerous letters, graphs and blue prints.

Box #8-Contents (Continued)

File 39 12-d-Equipment/Engineering: 1927-1929

1-Current Meter Facts information booklet: Scientific Instrument Co.

Correspondence referral regarding prices of water meters and the engineering equipment needed to start work on the Truckee River and Carson River investigations.

File 40 12-e-Equipment/Inventory: 1918-1920

Correspondence and copies of inventory of equipment, and property accountability. Includes return of non expendable property.

Box #9 Record Group #12

Contains 32 File Folders

File 1 12-e-Equipment-Inventory: 1918-1919

Duplicate records -same as box #8 file 40.

File 2 12-e-Equipment-Inventory: 1921-1925

Correspondence relating to inventory of all equipment belonging to the Reclamation Service.

File 3 12-eEquipment-Inventory: 1926-1929

*Note-file is being retained at the T. C. I. D. office and will be filmed again

File 4 12-f-Equipment/Land Leveling: 1918-1920

Purchasing information for levels and recorders.

File 5 12-f-Equipment/Land Leveling: 1921-1923

Correspondence in regard to disposition of storage batteries taken from the Holt 75 tractors.
Reference to 5 Holt tractors for sale.

File 6 12-h-Stock/Horses Leased: 1911-1914

Correspondence with various livestock dealers and contractors pertaining to leasing/rent of stock for work on the dam. Includes Board of Surveys for disposition of stock.

File 7 12-g-Equipment/Lease and Loan of: 1918-1920

Correspondence dealing with equipment rental for the Newlands Project.

File 8 12-g-Equipment/Lease and Loan of: 1921-1926

Correspondence pertaining to rental of wheel scrapers, damage of one 35-ton jack, and use of Mount Rose launch for making a hydrographic survey of Lake Tahoe, California.

File 9 12-i-Equipment/Misc. Prior to 1915

Correspondence in reference to inventory of government vessels, 1911.
Reference to revolving type of steam shovel in use at Lahontan Dam, 1912.

File 10 12-i-Equipment/Misc. 1915

Correspondence with various contractors, sub-contractors and supply store keepers in regards to equipment needed for the Newlands Project.

File 11 12-i-Equipment/Misc. 1916-1917

Various correspondence with various contractors, sub-contractors and supply store keepers in regards to equipment and supplies needed for the Newlands Project. Includes request for catalogues of products.

Box #9-Contents (Continued)

File 12 **12-h-Equipment/Misc. 1918-1920**

Correspondence with various companies dealing with equipment and supplies needed for work on the Newlands Project.

File 13 **12-h-Equipment/Misc. 1921-1925**

Correspondence in reference to request for catalogues from numerous companies. Inquiries regarding various pieces of equipment and/or supplies needed.

File 14 **12-h-Equipment/Misc. 1926-1929**

Correspondence dealing with inquiries of purchasing equipment.

File 15 **12-i-Equipment/Office: 1918-1920**

Correspondence and purchase orders regarding office equipment purchased and/or request for catalogues.

File 16 **12-i-Equipment/Office: 1921-1923**

Correspondence pertaining to purchase of typewriters, repairs to office equipment.

File 17 **12-i-Equipment/Office: 1924-1927**

Correspondence dealing with purchase of typewriters and adding machines.

File 18 **12-j-Equipment/Repairs and Repair Parts: 1918-1919**

Misc. correspondence dealing with office equipment repairs needed.

File 19 **12-j-Equipment-Repairs and Repair Parts: 1920-1921**

Misc. correspondence pertaining to repairs for various pieces of office equipment.

File 20 **12-j-Equipment-Repairs and Repair Parts: 1922**

Misc. correspondence regarding repairs for dragline and ditch cleaning machines, and parts available for replacements and repairs for various orders.

File 21 **12-j-Equipment-Repairs and Repair Parts: 1923**

File 22 **12-j-Equipment-Repairs and Repair Parts: 1924-1925**

File 23 **12-k-Equipment-Sale or Purchase: 1908-1909**

Correspondence regarding disposal of telephone poles no longer needed.

File 24 **12-l-Equipment/Lahontan Timber Sale of: 1911-1912**

Correspondence in reference to the sale of and removal of cottonwood trees at Lahontan Reservoir.

Box #9-Contents (Continued)

File 25 **12-I-Equipment/Sale or Purchase: 1914-1915**

Correspondence regarding the sale of the refrigerating and Ice Plant at Lahontan for sale.
Disposition of public property belonging to the U. S. Reclamation Service.
Disposal of Lahontan equipment.

File 26 **Timber Cutting: 1915**

Correspondence referring to the cottonwood timber on Reclamation Service property in the Lahontan Reservoir site.

File 27 **12-I-Equipment Purchases: 1916**

Correspondence with various companies and people regarding purchase of equipment and supplies.
Purchase orders and advertisements.

File 28 **12-I-Equipment/Sale or Purchase: 1916-1917**

Various advertisement, proposal and specifications for equipment/purchase.
Purchase orders.

File 29 **12-I-Equipment/Sale or Purchase: 1918-1919**

Correspondence referring to various items purchased.

File 30 **12-I-Equipment/Sale or Purchase: 1920**

Correspondence pertaining to equipment purchased and sold..

File 31 **12-k-Equipment/Sale or Purchase: 1921-1922**

Correspondence regarding disposal of equipment. Includes inventory of items and Board of Surveys.

File 32 **12-k-Equipment/Sale or Purchase: 1923-1926**

Correspondence regarding sealed proposals, notification of equipment for sale and description of items for sale.

Box #10-Record Group #12-13

Contains 23 File Folders

File 1 Equipment Transfer: 1904-1907

Notices and correspondence pertaining to transferring equipment from one project to another. Includes information about teams. Description data of plant available.

File 2 Equipment Transfer: 1908

Correspondence regarding transfer of equipment and stock to other projects. Includes numerous list of horses, mules, buggies, wagons and supplies to be sold at public auction. Various telegrams requesting equipment/stock.

File 3 12-m-Equipment Transfer: 1909-1910

Correspondence requesting equipment and/or stock for transfer.

File 4 12-l-Equipment Transfer: 1911

File 5 12-l-Equipment Transfer: 1912

File 6 12-m-Equipment Transfer: 1913

File 7 12-m-Equipment Transfer: 1914-1915

File 8 12-l-Equipment Transfer: 1918-1920

File 9 12-Equipment, 1-Transfer: 191-1925

File 10 12-1-Equipment/Transfer: 1926-1929

File 11 12-m-Equipment and Structures Stolen: 1918-1922

Correspondence pertaining to various structures, supplies and equipment being stolen. Includes letters regarding settlements with various people and outcome of dispositions.

File 12 13-a-Experimental Investigations-General: 1926

Data includes discharge of soluble salts from drains.

Includes reference to experimental data cards. (1 sample card is included).

File 13 13-b-Experimental Investigations-Newlands Experiment Farm: 1921/23

Correspondence in reference to the use of aluminum sulphate on alkaline lands-Newlands Project.

File 14 13-g-2-Experimental Investigations-General: 1923/24

Various correspondence in regard to the use of petroleum distillate, chemical analysis and testing used in dragline excavators-Newlands Project.

Box #10-Contents (Continued)

File 15 13-a-3-Experimental Investigations-Soil Examinations: 1904-1910

Correspondence includes certificate of analysis of samples of soil, blue print of sketch showing samples of soil collected in Carson Lake, and numerous letters regarding soil examinations. Included: Minidoka Project-Study: Reclaiming Sandy Soil, 1909-1910 by T. H. Means, Project Engineer, U. S. Reclamation Service.

File 16 13-b-Experimental Investigations-Lahontan Dam: 1922-23

Contains numerous correspondence regarding:
Tests-percolation through sand under earth dams
Blue print map-Lahontan Dam experimental investigation work 29-C-29
1 5x7 B/W photo-Truckee Canal Terminal Structure March 1913
Disintegration of concrete from affects of alkali or otherwise.
1-Booklet: "Standard Specifications for Drain Tile" American Society for Testing Materials

File 17 13-c-Experiment Farm:1908-1921

Correspondence in reference to improvement of the Experiment Farm and convert land into a demonstration farm near Fernley, Nevada. Memorandum of understanding between the Reclamation Service, Department of the Interior, and the Bureau of Plant Industry, Department of Agriculture, relative to cooperative work on the Reclamation Projects for fiscal year ending June 30, 1910.

File 18 13-Hazen Irrigation Demonstration: 1909-10

Various letters, telegrams and memos regarding the matter of an experimental farm near Hazen, Nevada.

File 19 12-e-Topographic Studies by W. S. Russell: 1905-1908

Correspondence from W. S. Russell in regard to topographic studies
Memoranda concerning Humboldt River Project of the U. S. Reclamation Service, Nevada.

File 20 13-d-State Investigations/ D. W. Hays: 1909-1910

Numerous letters to and from D. W. Hays pertaining to state investigations-Nevada.
Report-Churchill Valley January 17, 1910
Blue print Humboldt Drainage Basin: 4-2010 mapped by D. W. Hays

File 21 13-1-Fact Finding Commission: 1924

Various correspondence pertaining to data for the Fact Finding Commission (Committee of Special Advisers on Reclamation) in reference to the Newlands Project, Nevada.
*Includes one page of information from Tasker L. Oddie, Washington, D. C. March 12, 1924
*1-original Nevada State Journal, Reno, Nevada, Saturday, January 26, 1924
Headlines-Boyle Flays Land Commissioner
Article tells about Nevada Representatives make plea for Newlands; Project including former Governor Boyle.

Box #10-Contents (Continued)

File 22 13-1-Fact Finding Commission: 1926

Correspondence regarding comments on recommendations of Board of Survey and Adjustments. Includes Newlands Project O. & M..1906-1925.

Copy of the 69th Congress: Public-No. 284 approved "An Act To adjust water-right charges, to grant certain other relief on the Federal irrigation projects, and for other purposes."

File 23 13-2-a-Fallon (City of) New Headquarters Building: 1909-1910

Correspondence pertaining to construction of headquarters building in Fallon, Nevada.

Detailed specifications for construction and estimate of cost.

The following reports are included:

13-1-Report: Feb. 7, 1924

Newlands Project Data for Fact Finding Committee

21-b-Report: June 1925

**Local Co-Operative Committee to Board of Survey & Adjustment
(Office Copy-Superintendent)**

Report: 1924

Statement Regarding the Newlands Project Nevada, with exhibits, etc., submitted to the Fact finding Commission on January 19, 1924 by Emmet D. Boyle Representing the State Engineer of Nevada and the Reno Chamber of Commerce. Includes various correspondence, maps, blue prints, draft approved by the Department of Interior, and court judgments.

13-1-Report: Office of the Secretary Department of the Interior April 10, 192

Report of Special Advisory Committee on Reclamation (3 copies)

Box #11-Record Group#13-16

Contains 18 File Folders

File 1 13-2-b-Lease/Rattlesnake Hill: 1911-1912

Correspondence pertaining to leasing Rattlesnake Hill (Fallon Butte) for quarrying privileges.
Includes drawings, telegrams, and numerous letters.

File 2 13-2-c-Fallon (City of): Contracts

The material for this section of the correspondence file was pulled from the contracts file because the information was pertinent to the dealings of the Bureau of Reclamation with the city.

File 3 14-Farming (Including Crops, Livestock): 1921-1923

Correspondence includes irrigation and crop statistics (Warren Act contracts).
Types of crops in production-Newlands Project.

File 4 14-Agricultural Information/Farming: 1913-1920

Correspondence pertaining to the Agricultural Fair (the Churchill County Fair)
Hay market on Truckee-Carson Project.

File 5 14-Agricultural Information: 1907-1910

Paper on "The Problems of an Irrigation Farmer" by C. S. Scofield. 44 pages.
Various letters regarding dry farming.

File 6 13-2-d-Substation/Location and Construction: 1912-1913

Letters discussing the Fallon Substation and specifications for location and contracts.

File 7 Fallon Water Supply (Cuts): 1907-1908

Correspondence regarding a water supply system.
Map of Nevada-showing proposed power lines
Map-Lake Tahoe and adjacent watersheds
Map-Nevada and California (showing Lake Tahoe and Washoe Lake
Map-Lake Tahoe and Washoe Developments
Report-On Water, Light and Power Supply for Fallon, Churchill Co., Nevada 10-3-1907

File 8 14-Farming/Agricultural Census of Crops & Livestock: 1924-1926

Various letters in reference to the alfalfa hay situation, crop census, cantaloupe prices/sizes, and memorandum with regard to Enumeration of Indian Reservations. Included in this correspondence are Census Oath of Office applications. Paper on the rabbit industry on the Newlands Project, Nevada.

File 9 14-Farming/Agricultural Census of Crops & Livestock: 1928

Inventory of equipment/crops and livestock. Correspondence pertaining to farming/agricultural land investments, memorandums for press releases, and weekly reports of the office of Western Irrigation Agriculture, Bureau of Plant Industry, U. S. Department of Agriculture-April 6-13, 1929.

Box #11-Contents (Continued)

File 10 14-2-Seed Distribution: 1908-1909

* Correspondence to and from Hon. Francis G. Newlands, United States Senate regarding the shipment of packages of vegetable and flower seeds for distribution on the Newlands Project.

File 11 14-Sugar Beets: 1916

Correspondence dealing with results of the experiments with sugar beets on the experiment farm one mile south of Fallon. Discussion of trying to obtain a sugar-beet factory in Fallon with the help of Senator Warren W. Williams. Description of land to be acquired by the Nevada Sugar Company. Summary of analyses of sugar beets made of samples from various ranchers in the Truckee-Carson Project.

1 copy of the Churchill County Eagle May 13, 1916-regarding sugar beet proposition.

1 blue print-land for use of sugar mill Aug. 1910 (879-42)

Various newspaper clippings referring to the Sugar Beet Factory

File 12 14-1-Field Commissioner Miles Cannon: 1923

Numerous letters pertaining to the Newlands Project, modern irrigation/drainage and discussion of building a reservoir.

File 13 14-1-Field Commissioner Miles Cannon (Misc.): 1924

Correspondence regarding the two main things must take place on the projects before a reasonable measure of success will be attained.

File 14 15-Fernley Water Users: 1920-1921

Correspondence pertaining to a request by Fernley water users for assistance in negotiating with Forest Service-Newlands Project.

Includes blue print-Comparative measurements of Cipolletti Weir and typical submerged orifice farm takeout. 7399-42

A Report on the Newlands Project in Nevada-based on investigations made during the month of August, 1921 submitted by Dr. Samuel Fortier, Associate Chief, Division of Agricultural Engineering, and Mr. F. L. Bixby, Senior Irrigation Engineer.

B/W 5x7 photos included:

Fig. 1-Potato field on the ranch of W. T. and Charles Peoples, Fernley, Nev.

Fig. 2-Field of sweet corn grown by E. S. Fontaine, Fernley, Nev.

Fig. 3-Cutting alfalfa. Estimated yield 2 ½ tons per acre. On farm of G. F. Stock, Fernley.

Fig. 4-Effect of water shortage on alfalfa field belonging to G. F. Stock, Fernley.

Fig. 5-Holstein heifers owned by C.W. Stock, Fernley.

Fig. 6-Neil Austin of the Holstein Calf Club, Fernley and his prize heifer.

Fig. 7-"Baby" mules, four months old. The property of J. R. McCullough, Fernley.

Fig. 8-Stacking alfalfa on the farm of R.J. Martin, Fernley.

File 15 **15-Fernley Water Users: 1926**

List of water users in the Truckee Division-Newlands Project who are eligible for water.

Box #11-Contents (Continued)

File 16 **Truckee-Carson Irrigation District Division No. 1-Stock Water Lines**

Contracts between the U. S. and Division No. 1 of the Truckee Carson Irrigation District Newlands Project, Nevada.

5 copies of blue print-6182-24 map of Fernley

File 17 **16-Gravel/Rock-Disposal of: 1918-1920**

Correspondence regarding quarrying rock from Rattlesnake Hill. Includes regulations governing Rattlesnake Hill Rock Quarry and lease of.

File 18 **16-Gravel/Rock-Disposal of: 1928 (Contract with T. C. I. D.)**

Material from this section of the correspondence file was pulled from the contracts file because the information was pertinent to the dealings of the Bureau of Reclamation with the city. After filming, the folders were returned to the contracts file.

Box #12-Contains two boxes.

Box 1 **Minutes of the Regular meeting of the Board of Directors of the Truckee-Carson
Irrigation District**

April 20, 1936-August 2, 1940

January 4, 1937-May 17, 1940

August 5, 1940-December 4, 1944

Box 2 **Minutes-Board of Directors of the Truckee-Carson Irrigation District**

January 3, 1950-September 7, 1954

September 17, 1954-December 8, 1958

January 7, 1959-September 15, 1962

Box #13-Minutes-Board of Directors of the Truckee-Carson Irrigation District

Minutes from 1920-1933

Numerous 3x5 cards with information and dates pertaining to the Newlands Project

Box #14-Contains the following:

24 Assessment Rolls (Various Counties) 1927-1972

Box#15-Records of General Expenses

1- Total Book: Months of March, April and May 1909

1- Total Book: Months of June-October 1909

1 -Total Book: November/December 1909 and January/February 1910

1- Journal Vouchers: August -November, 1912

1 -Journal Vouchers: March -June, 1913

Stack of misc. record cards (Farm Well Records, Store Purchases, and Contract Records) 1907

Box #16-Correspondence Files: Hospital/Medical Matters 1903-1926

Contains 24 Files

File 1 17a-Hospital/Medical General Information: 1911-1912

Physicians reports pertaining to employees sickness, injuries and accidents.

File 2 17a-Hospital/Medical General Information: 1913

Physicians reports, nature of accident, typhoid reports, and hospital payments.

File 3 17a-Hospital/Medical General Information: 1914

Monthly health reports, correspondence regarding hospital deductions/compensations.

File 4 17a-Hospital/Medical General Information: 1915

Reaction report of employees to Typhoid Prophylaxis and monthly health reports.

File 5 17a-Hospital/Medical General Information: 1916

Correspondence regarding hospital bills, and the Federal Compensation Act, September 7, 1916 pertaining to government employees.

File 6 17a-Hospital/Medical Matters-Misc. 1917-1920

Information regarding medical compensation and benefits.

File 7 17a-Hospital/Medical Matters-Misc. 1921-1923

Correspondence pertaining to compensation claims for injured employees.

File 8 17a-Hospital/Medical Matters-Misc. 1924-1927

Correspondence dealing with compensation claims, vouchers and bills paid.

File 9 Employees-Injured: 1911-1912

File contains several Immediate Report of Injury and/or Claim for Compensation to Injured Employees. Includes Certificate of Disability, Report of Termination of Disability, and Report of Discontinuance of Compensation Payments.

File 10 Employees-Injured: 1913-1914

File contains same as File 9-Immediate Report of Injury and etc., reports for claims and outcome of injured employee.

File 11 Employees-Injured: 1915-1916

Continuance of file 9 and 10-Immediate Report of Injuries, etc.

File 12 17b-Hospital/Medical Employee Injured: 1917

Reports of Injury

File 13 17b-Employees Compensation Commission-Reports: 1918

Includes Reports of Injury and notice of compensation paid to injured employees.

Box #16-Contents (Continued)

- File 14** **17b-Hospital and Medical Matters/Reports
Compensation Commission: 1919**
Includes Reports of Injury and correspondence related to injured employees.
- File 15** **17b-Hospital and Medical Matters/Reports
Compensation Commission: 1920**
Notices and reports of injuries and correspondence to the Compensation Commission.
- File 16** **17b-Hospital and Medical Matters/Reports to
Compensation Commission: 1921**
Employees Reports of Injury and reports for compensation.
- File 17** **17b-Hospital and Medical Matters/Reports
Reports to Compensation Commission: 1922**
Reports of Injury regarding employees.
- File 18** **17b-Hospital and Medical Matters/Reports
Reports to Compensation Commission: 1923**
Reports of Injury.
- File 19** **17-Hospital and Medical Matters
b-Reports to Compensation Commission: 1924**
Notice of injury.
- File 20** **17b-Hospital and Medical Matters: 1925**
Notice and reports pertaining to injury.
- File 21** **17b-Hospital and Medical Matters: U. S. Employees-1926**
Correspondence pertaining to reports of injury.
- File 22** **Hospital and Medical Matters-U. S. Employees-1928**
Official Superior's Report of Injury and Employees Notice of injury.
- File 23** **17c-Hospital and Medical: Compensation Commission
1921: G. H. Dillman**
Special Case: Galen H. Dillman-1922/1924
- File 24** **17c-Hospital and Medical: Employees-1927**
Official Superior's Report of Injury and Employees Notice of Injury

Box#17-Truckee-Carson Irrigation District Crop Census Data

3 (Bound Books , very fragile) Truckee-Carson Irrigation District, Newlands Project, cooperating with Agricultural Experiment Station, University of Nevada. 1929; 1920; and 1931

1 Binder-Summary Sheet of Cost Account Sheets: 1944

Box #18-Correspondence Files 1903-1926: Record Group #18

Contains 25 File Folders

File 1 18-Hydrography: a-General: 1908

Correspondence regarding hydrographic investigation, storage required on Truckee Basin, evaporation observations at the Truckee-Carson Project and gaging taken.

File 2 18-Hydrography: a-General: 1909

Correspondence pertaining to snowfall observers in the Lake Tahoe Region and work of the U. S. Weather Bureau.

File 3 18-Hydrography: a-General: 1910

Correspondence referring to reports of the Climatological Service. List of vendors of automatic water level gages-1910

File 4 18-Hydrography: a-General: 1911

Regarding data and daily records of snow and wind. Correspondence in reference of monthly reports of gage heights and readings.

File 5 18-Hydrography: a-General: 1912-1913

Correspondence referring to the wind velocity, the Hydro-Chronograph and records of gauge readings of the East Carson at Elges Ranch.

File 6 18-Hydrography: a-General: 1914-1915

Correspondence regarding equipment and results on Duty of Water on Alfalfa at the Nevada Experiment Station for the years 1909-1911.

File 7 18-Hydrography: a-General: 1916-1917

Letters pertaining to duty of water.

File 8 18-Hydrography: b-General: 1918-1920

Correspondence pertaining to evaporation from reservoirs

File 9 18-Hydrography: b-General: 1921-1923 inclusive

Correspondence requesting discharge records for Truckee/Carson Rivers, 1920.

Seasonal snow survey and forecast of stream flow- May/June, 1921.

Precipitation and Evaporation Record U. S. Experiment Farm, Newlands Project-Nevada..

File 10 18-Hydrography: b-General: 1924-1926

Correspondence pertaining to seasonal snow surveys, and evaporation data.

File 11 18-Hydrography: b-Stream Gaging: 1903-1906

Correspondence dealing with surveys and examinations of lands in the valleys of the Truckee and Carson Rivers. Stream gaging in connection with Reclamation Projects.

Box #18-Contents (Continued)

- File 12** **18-Hydrography: b-Stream Gaging: 1907**
Letter in reference to hydrographic studies and various correspondence pertaining to water measurements/stream gaging.
- File 13** **18-Hydrography: b-Stream Gaging: 1908**
Numerous letters regarding the Reclamation Station's records.
- File 14** **18-Hydrography: b-Stream Gaging: 1909**
Correspondence regarding stream gaging hydrographic work at the various projects.
- File 15** **18-Hydrography: b-Stream Gaging: 1910**
Correspondence in reference to claims for stream gaging work.
- File 16** **18-Hydrography: b-Stream Gaging: 1911**
Letters referring to water measurements.
- File 17** **18b-Stream Gaging: 1912-1913**
Correspondence regarding Reno Valley water duties and measurements.
- File 18** **18-Hydrography: b-Stream Gaging: 1914-1915**
Correspondence includes a report on irrigation measuring devices.
- File 19** **18-Hydrography: b-Stream Gaging: 1916-1917**
Correspondence regarding stream gaging and snowfall studies.
- File 20** **18-Hydrography: c-Truckee River/Lake Tahoe: 1913-1915**
Correspondence pertaining to stream flow records.
- File 21** **18-Hydrography: c-Truckee River/Lake Tahoe: 1916-1917**
Correspondence pertaining to snow fall at high levels.
- File 22** **18a-Hydrography-Truckee River: 1918-1920**
Correspondence referring to Lake Tahoe discharge.
- File 23** **18a-Hydrography-Truckee River: 1921-1922**
Correspondence in reference to hydrographic work on the Truckee River.
- File 24** **18a-Hydrography-Truckee River: 1923-1924**
Numerous correspondence relating to the stream gaging measurements.
- File 25** **18a-Hydrography-Truckee River (Lake Tahoe): 1925-1926**
Letters regarding Iceland, monthly computation and measurements.

BOX #19-Correspondence Files 1906-1926 Record Group #19

Contains 13 File Folders

File 1 19-Instructions from Head Offices: 1904-1908

Regarding duties of a supervising engineer, private employment, request for copies of monthly statements, hoof brands for survey animals, board meeting notes and correspondence pertaining to job classifications and variety of subjects discussed to and from the Washington office.

File 2 19-Instructions to Project Employees from Project Engineers: 1907-1910

General instructions regarding applications for employment and contracts, orders on commissary, bills, transfers, inventories and reports.

File 3 19-Instructions to Project Employees from Project Engineers: 1918-19

Notices to employees regarding job duties, operation and maintenance department request to Gate Tenders and Ditch Riders, and instructions for government quarters.

File 4 19-Instructions from Project Managers: 1913-1916

Subjects covered include advance approval of payrolls and time checks, organization of the project management, and the janitor's daily routine.

File 5 19-Instructions to Project Employees from Project Managers: 1904-1906

Schedule of salaries to be paid to men employed with field parties. Correspondence dealing with non expendable material, equipment and new time book forms. Information concerning organizing the "Government Employees Relief Association" and imposing a fixed fine upon each teamster who quits work without a 24-hr. notice.

File 6 19-Instructions to Project Employees from Project Managers: 1921-1925

Misc. correspondence dealing with fire protection, use of government automobiles, sale of gasoline/oils to Dragline Operators, and purchase of materials, equipment and supplies.

File 7 19-Instructions from Head Offices: 1923-1924

Instructions notifying employees about destruction of useless records, flying the flag at half staff in memory of President Harding and voluntary contributions to the Harding Memorial. Employees are prohibited from acquiring oil, gas, or mining leases covering Indian Land.

File 8 19-Instructions from Head Offices: 1925-1927

Misc. letters to the Head Offices pertaining to general correspondence. Index to circular letters-1924. Questions/answers that might have been used in an examination to be given by the Civil Service Commission covering irrigated agriculture .

File 9-File 13 Washington Office Circulars and Memoranda: 1905-1910

Box #20-Correspondence File 1903-1926

Contains 21 File Folders and 6 Large Envelopes:

File 1 20-Inquiries: a-Misc. 1911-1912

Letters requesting certain data such as information needed regarding ditches in the Wadsworth District, information regarding the use of cement pipes, and request for blue prints.

File 2 20-Inquiries: b-Land/Homestead 1911-1913

Correspondence inquiring about homestead land available on the project. Requesting information regarding water rights and status of lands under the Truckee-Carson project. Land that is open for entry on the Project is mentioned.

File 3 20-Inquiries: a-Misc. 1912

Letter inquiries regarding data showing the duty of water for different districts. Request to sell lumber and cement to entry men working on the Project. Numerous questions about engineering advice on location and construction of irrigating canals. Questions relating to agreements used by the Government with land owners relating to water rights. Memoranda showing progress on the Truckee-Carson Project.

File 4 20-Inquiries: a-Misc. 1913

Letters inquiring about information regarding belt conveyors, Class 14 Bucyrus Electric Drag Line Excavator, and removal of gravel/clay from river beds. Information requested for numerous kinds of equipment used on the Project and various catalogues requested. Correspondence inquiring about the expiration of grazing property in the vicinity of Lahontan Dam. Numerous request for topographic maps.

File 5 20-Inquiries: a-Misc. 1914

Correspondence pertaining to an automobile accident at Lahontan

File 6 20-b. Inquiries: Regarding Land/Homestead. 1915

Numerous letters inquiring about the land available in conjunction with the Truckee-Carson Project. Many requests for information about land that could be dry farmed, what kind of vegetation grows on the land and any other pertinent information.

File 7 20-b. Inquiries: Land/Homestead. 1916

Letters pertaining to the homesteads open for entry on the Truckee-Carson Project. Numerous inquires about the water, what can be grown, weather and misc. concerns.

File 8 20-a. Inquiries: Misc. 1915-1917

Correspondence concerning methods used by the Reclamation Service in canal construction. Concerns regarding irrigation, discharge of the canal from the Derby Dam or Truckee River, and what kinds of jobs in the medical field would be available in Fallon. Many misc. requests for information that is related to the Project. Questions regarding if the sugar factory is assured.

Box #20-Contents (Continued)

File 9 20-b. Inquiries: Land/Homestead 1917

Letters from numerous out of state people requesting information on land available, jobs available and such requests as what is the weather like, and what kind of crops can be grown. Original letters with their response.

File 10 20-a. Inquiries: Misc. 1918-1922

Misc. request for information regarding the Truckee-Carson Project. Interest in the kinds of crops that can be grown, what are the roads like going into the area, are their private homes that can be rented out, and an interest regarding alfalfa hay.

File 11 20-b. Inquiries: Land/Homestead 1920

Correspondence requesting information on vacant land available.

File 12 20-b. Inquiries: Land/Homestead 1921

Information request regarding the Newlands Project. In reference to what kind of crops can be raised, size of land opened and if there will be plenty of work available.

File 13 20-b. Inquiries: Land/Homestead 1922

Files include a copy of the press bulletin from Department of the Interior regarding the Newlands Project Land Opening (Detailed information). Numerous request for water applications and questions of interest about available land.

File 14 20-b. Inquiries: Land/Homestead 1923

Letters of interest dealing with request for information about the kinds of crops that can be grown on the Project, interest in dairying and what are the opportunities on the land.

File 15 20-a. Inquiries: Misc. 1923

Letters of interest pertaining to available water, teacher request for information for her class on the Reclamation Project, and numerous questions regarding irrigation.

File 16 20-a. Inquiries: Misc. 1924

Correspondence related to questions regarding irrigation, growing cantaloupes, the feeding of tobacco dust to turkeys and asking for hydrometric data information.

File 17 20-b. Inquiries: Misc. Land/Homestead 1924

Interest in the cost of water rights, reference to raising poultry, the dairy business, and what size of land is still available for homesteads.

File 18 20-b. Inquiries: Misc. Land/Homestead 1925

Letters of interest regarding land on the Newlands Project and what are sizes of the acres still available.

Box #20-Contents (Continued)

File 19 20-a.. Inquiries: Misc. 1925-1926

Letter of interest dealing with what price the sugar factory buildings at Fallon could be acquired and request for information publication on land leveling. In addition numerous letters showing interest of the land available and water rights to land.

File 20 20-b. Inquiries: Land/Homestead 1926

Correspondence dealing with sale of water rights and interest in homesteads that are currently open.

File 21 20-a. Inquiries: Misc. 1927-1929

Correspondence regarding: In Re "Walker River Indian Reservation", water levels of Lake Tahoe, and requesting information for Dixie Valley, and closed drains.

6 Envelopes -Containing correspondence request for information pertaining to homestead land available, misc. questions of growing crops and water irrigation.

Envelope #1: January-April, 1915

Envelope #2: May-August, 1915

Envelope #3: September-December, 1915

Envelope #4: Misc. letters, 1916

Envelope #5: Misc. letters 1917

Envelope #6: Misc. correspondence, 1921

Box #21-Crop Census Data, Etc.

3 Binders-Truckee Carson Irrigation District Summary Sheets of Cost Accounts

1943

1946

1947

Large stack of cards-Reference to: Card record summary of annual crop census report showing crop values per acre (gross) for individual farms and years 1914-1924 inclusive. Assembled in connection with 1925 project land classification survey by Board of Survey and Adjustment. #8509-85

Box #22-Correspondence Files: Truckee-Carson Irrigation District

Contains 31 File Folders

File 1 21. Irrigation District (General) 1918

Correspondence pertaining to the easiest way to organize the T.C.I.D area.

1-copy: Department of the Interior (approved March 6, 1918)

General Land Office

“Regulations concerning State Irrigation Districts in Their Relation to the Public Lands of the United States”

Correspondence regarding the Government draining any project land at public expense.

Several copies of Power of Attorney for Project employees (1917)

Data mentioned: 256 votes in favor of the organization of the District and 44 against.

Petition for election presented to the County Commissioners and

Total of District Embraces showing ownership of irrigable acres.

Proposed Drainage

Copy of contract with King Hill Irrigation District, King Hill Project-Dec., 1918

File 2 21. Irrigation District 1919

Correspondence pertaining to:

The contract with Truckee-Carson Irrigation District, and release of lien by the U. S. in favor of certain water users desiring farm loans.

Amendments to Irrigation District laws-by whom to be handled.

Proposed changes in the Irrigation District Law

Provision for Drainage in Irrigation District Law

1-copy: Senate Bill #31 Introduced by Senator Kent; February 17, 1919

An Act to provide for the organization and government of irrigation districts...

File 3 21. Irrigation District (General) 1920

Various correspondence relating to the organization of the Truckee-Carson Irrigation District

1-Report: “Lands Petitioning for Withdrawal from Truckee-Carson Irrigation District”

By B. A. Etcheverry, October 28, 1920 (6 pages)

Correspondence regarding the addition of lands to Truckee-Carson Irrigation District.

File 4 21. Irrigation District (General) 1920

File contains numerous correspondence in reference to the contract to be entered into with TCID for drainage-Newlands Project. Includes a drainage estimate for the Newlands Project, summary by districts: Classes 1 & 2 drains-July 9, 1920.

Original copy of a regular meeting of the Board of Directors of the TCID-September 29, 1920 (52 pages) Apportionment of benefits included.

Copy of the cost of drainage investigations-Dec. 1, 1918-June 30, 1921

Box #22-Contents (Continued)

File 5 21. Irrigation District (General) 1921

Correspondence regarding the hearing of the petition to confirm organization proceedings, etc., of the Truckee-Carson Irrigation District.

Information includes contract with TCID for drainage construction-Newlands Project.

Losses in Canals and Laterals (1917-1920)

Approved application of Truckee Carson Irrigation District under the Smith Act-April 27, 1921

1-copy of: Final Decree and Judgment in the Matter of the Truckee-Carson Irrigation District (appeal-drainage contract)

1-report: "A Report on the Newlands Project in Nevada" Based on Investigations Made During the Month of August, 1921. Submitted by Samuel Fortier and F. L. Bixby (17 pages)

1-monograph: "The Principles that make Disarmament Possible" by Edmund Dietz, President of the Truckee Carson Irrigation District. (21 pages)

Copy of the arable acreage of land possible of irrigation from Truckee River and Spanish Springs reservoir and independent of the waters of the Carson River and Lahontan reservoir. March 5, 1921

File 6 21. Irrigation District Drainage 1921

Correspondence pertaining to the contract between the United States and Truckee-Carson Irrigation District regarding construction of drainage system-January 22, 1921. Includes monthly reports, financial statements, maps (6989-70, 29-C-21)

1-copy: Proposed Contract Between the United States and Truckee-Carson Irrigation District, Approved as to Form by the Department of the Interior, January 27, 1920.

File 7 21. Irrigation District 1922

Various minutes from the TCID meetings.

Press Bulletin-Newlands Project Land Opening 1922

Monthly reports on the progress of the Newlands Project.

File 8 21. Irrigation District (General) 1923

Correspondence: Petition for Annexation to the Truckee-Carson Irrigation District.

Request for additional drainage work for the Newlands Project.

Monthly reports.

2-Maps (3978-64)

1-copy of: In the Supreme Court of the State of Idaho
Nampa & Meridian Irrigation District (Respondent)

Boise, December Term, 1922
Filed March 3, 1923

vs. j. g. Petrie, et al, (Appellants)

Box #22-Contents (Continued)

File 9 21. Irrigation District 1924

Water Users Organization-Newlands Project.

Proposed contract with TCID additional drainage-Newlands Project.

List of Water right applications-Carson Division: Newlands Project which are embraced in the Truckee-Carson Irrigation District as of May 31, 1924. (32 pages)

Completion of drainage construction under contract dated Jan. 22, 1921.

List of lands officially added to Truckee-Carson Irrigation District by resolution of Board of Directors at adjourned regular meeting October 9, 1924.

Copy of Board Resolution of Oct. 9, 1924 annexing new lands to TCID.

Correspondence regarding regulations for taking the crop and livestock census on Federal Reclamation Projects for the year ending Dec.31, 1924.

Monthly reports.

File 10 21. Irrigation District (General) 1925

Reference to the proposed legislation designed to provide against responsibility on the part of land owners within irrigation districts.

List of delinquent water users recommended to receive water during 1925 irrigation season without payment of delinquencies.

Confirmation proceedings on organization of TCID, and determination of validity of drainage contract of January 22, 1921.

Copy-In the Supreme Court of the State of Nevada:

TCID (Petitioner)

File 14 21. Irrigation District Contract and “District Takeover” 1926

Numerous correspondence pertaining to the proposed contract between the United States and the Truckee-Carson Irrigation District, by which the District is to take over the operations and maintenance of the Newlands Project in order to receive the benefits of the Act of Congress of December 5, 1924.

Includes a preliminary draft (April 1926) for the transfer of the management of the irrigation works of the district and for the repayment of construction charges. (42 pages)

1-Preliminary draft known as the Coffey Draft 9-2-1926 (27 pages)

Box #22-Contents (Continued)

File 15 21-Irrigation District 1927

Original and two copies of minutes containing a resolution adopted by the TCID Board of Directors at their regular adjourned meeting held on December 29, 1926 regarding the taking over of the operation and maintenance of the project system of works by the District on Jan. 1, 1927.

Correspondence includes notifying various companies of the change, interest on extended construction, O. & M. charges and fiscal bond of TCID.

Construction cost and returns-TCID.

Confirmation proceedings for taking over of the contract for taking over project.

List of principal officials of TCID 11-19-1927.

Maintenance of irrigation structures, construction work after transfer of project works to water users and numerous other letters of interest regarding the operations of TCID.

File 16 21- Irrigation District 1929

Change of regulations in reference to the furnishing of water to town sites

Regulations for the allotment and expenditure of the appropriation for operation and maintenance of reserved works

Additional construction requested by TCID under supplemental construction-Newlands Project.

Letter-RE: United States vs. Alpine Land & Reservoir Co. (Feb. 21, 1929)

Report on drainage work done under contract with TCID by A. W. Walker 4-30-1925 (13 pages).

Lands necessary for operation purposes-Newlands Project

Reconstruction Truckee Canal.

File 17 21- Irrigation District 1928

File contains numerous copies of previous letters pertaining to the contract for taking over the project, daily correspondence and description of lands.

File 18 21-Irrigation District Equipment Inventory 1926-1929

This file is empty with the attached memo to file:

The contents of this folder #21. Irrigation District: Equipment Inventory have been microfilmed and have been retained in the TCID offices to be filmed at a later time with the following topic:

#32-h. Operation & Maintenance: Takeover by irrigation district (L. Hall 3-17-1982)

File 19 2-a-Irrigation Enterprises (General) 1922-1923

Correspondence dealing with irrigation works in the west. (Deadman's Bench, Green River Valley, UT., Klamath Irrigation District, and Colorado. Reference to data relating to failures of large corporations in irrigation.

1-program: "Flood Problems" American Society of Civil Engineers Founded 1852, spring meeting at Dayton, Ohio April 5-7, 1922

Box #22-Contents (Continued)

File 20 22-b-Irrigation Enterprises (Humboldt River) 1918-1922

1-Report of Irrigation Investigations Humboldt River Valley, Nevada.

University of Nevada Reno, Nevada

Agricultural Experiment Station (Bulletin No. 54)

By Jay D. Stannard, Assist.in Irrigation Investigations, 1901

Correspondence regarding work on the Humboldt River

Preliminary report on proposed Humboldt River storage reservoir system. (12 pages)

Supplement to preliminary report on proposed Humboldt River storage reservoir system.

Numerous letters pertaining to the project extension-Humboldt River.

File 21 22-c-Irrigation Enterprises (Owens Valley Project) 1906-1908

Correspondence referring to the proposed storage reservoir at Fish Slough and the supply ditch from the Owens Valley near Bishop, Inyo County, Cal.

File 22 22-d-Irrigation Enterprises (Walker River Project) 1904-1910

Correspondence to and from water users on the Walker River regarding the suggested reclamation project on that river. Includes letters notifying why the project was abandoned..

*Letters to and from Sen. Francis G. Newlands pertaining to the suggested reclamation project on the Walker River.

File 23 22-d-Irrigation Enterprises (Walker River Project) 1915-1923

Correspondence pertaining to the status of the Walker River Project. Notice of intention to make final proof on homestead entry-Walker River Project, California/Nevada.

“General Description of Project of the Walker River Canal and Power Company”

By A. L. Pollard, Secretary and Treas. Dec. 28, 1917 (8 pages)

1-Walker River Irrigation District Map of Bridgeport Reservoir Site

April 1923 (serial No. 07688)

File 24 23-1-a-Itinerary & Visitors (General) 1904-1908

Itinerary and various travel plans for various supervising engineers.

File 25 23-1-a-Itinerary & Visitors (General) 1912-1914

Correspondence addressing the travel plans and dates for employees and/or guest visiting various projects.

File 26 23-1-a- Itinerary & Visitors (General) 1916-1917

Correspondence including letters and telegrams regarding completed travel arrangements . Includes letters notifying when arrival and what guest are expected.

File 27 23-1-a-Itinerary & Visitors (General) 1918-1920

Letters/telegrams addressing itinerary for staff and visitors to the Newlands Project and/or travel to other projects of interest.

Box #22-Contents (Continued)

File 28 23-1-a-Itinerary & Visitors (General) 1921-1922

Letters/telegrams/memos regarding visitors to various out of state projects/and the Newlands Project.

File 29 23-1-a-Itinerary & Visitors (General) 1923-1929

Correspondence informing the Project Manager of various visitors arrival. Includes schedule of the inspection trip by the Secretary and Commissioner.

File 30 23-1-a-Itinerary & Visitors (Congressional Committee) 1905

Itinerary of Western trip of House and Senate Committees on Irrigation of Arid Lands.
Correspondence pertaining to the third anniversary of passage of the Reclamation Act by Congress and at which time a portion of the big irrigating canal will be opened. Program is planned for the celebration of the formal opening of the Main Truckee Canal on June 17
Various arrangements for visitors to reclamation projects.

File 31 23-1-a-Itinerary & Visitors (Senate Committee) 1909

Itinerary for trip of Senate Committee on irrigation.
Answers to questions presented by Senator Carter to Water User' Associations. Oct. 20, 1909
1 Report-To the Committee of the United States on Irrigation and Reclamation of Arid Lands from the water users of the Truckee-Carson project. Nov. 5, 1909 (14 pages).
1 Report-"The Truckee-Carson Project" submitted to Senate Committee, Nov. 5, 1909.(15 pages)
Various other correspondence pertaining to the hearing before the Senate Committee-Truckee Carson.
Stenographic report.

Contains 30 File Folders

File 1 23-2- Lahontan Dam-Construction and General: Physician:

Includes Advertisement supplements for the services of physicians for the Newlands Project. Correspondence regarding complaint of hiring physician from out of state instead of a local person and numerous letters of inquiry for this position. 1911

File 2 23-2-Lahontan Dam-Construction and General: Physician

Correspondence pertaining to physicians at Lahontan Dam. 1912-1914

File 3 23-2-Lahontan Dam-Construction and General: 1903-1910

Numerous letters regarding employees still needed for hire and misc. letters of inquiry pertaining to supplies.

File 4 23-2-Lahontan Dam-Construction and General: 1911

Letters pertaining to construction type inquiries.

3 page report-"Construction Plant for Lahontan Dam, U. S. R. S., Truckee-Carson Project."

Agreement between Southern Pacific Company and the United States dated August 26, 1911, covering lease of Southern Pacific Company Railroad right of way for construction purposes in connection with Lahontan Dam.

Cost and rental of Lahontan camp buildings.

File 5 23-2-Lahontan Dam-Construction and General: Post Office

Correspondence in reference to establishing a post office at Lahontan (fourth-class post office) and the hiring of a Postmistress. 1911-1912

File 6 23-2-Lahontan Dam-Construction and General: Accounting

Instructions: Accounting system covering Mercantile Store business at Lahontan

Letters of information pertaining to the adoption of a series of account numbers covering the accounts at the Carson Dam and the data that should be included. 1911-1912

File 7 23-2-Lahontan Dam-Construction and General: 1912

Correspondence inquiring about inspection of work, Mercantile Store purchases, Lahontan Dam progress report, and wagon repair.

Memorandum regarding Lahontan Dam for Secretary of State.

File 8 23-2-Lahontan Dam-Construction and General: 1913

Numerous letters in reference to sand cement for alkali experiments.
Other correspondence pertaining to daily operations and answering questions.

Box #27-Contents (Continued)

File 9 23-2-Lahontan Dam-Construction and General: 1914-1917

Letters of interest pertaining to daily operation of the Lahontan Dam. Hiring guards for the Lahontan Dam area, transfer of ordnance property, and daily reports are just some of the daily concerns addressed in this correspondence. Includes memoranda for Project Manager on current topics regarding Lahontan. Blue print Lahontan Dam #5273-42 (Aug. 26, 1915)

**File 10 23-2-Lahontan Dam-Construction
Engineering: Sand Cement 1910-1912**

Includes letters regarding sand cement test, manufacture of sand cement at Lahontan.

File 11 23-2-Lahontan Dam-Construction and Engineering: 1903-1908

Correspondence pertaining to the Lower Carson Reservoir Dam

File 12 23-2-Lahontan Dam-Construction and Engineering: 1909

Lower Carson Reservoir information which includes:

“Supplemental Report on Dam Site”, (6 pages) by W. S. Tangier Smith 3-2-1909

Geological examination of the Lower Carson Dam Site.

Computations for estimates for the construction of the Lower Carson Dam, 6-21-909 (9 pages)

File 13 23-2-Lahontan Dam-Construction and Engineering:

Information on the Lower Carson Reservoir which includes various reports of the Carson Dam investigations. Hand drawn map canal water (3-11-1910). Correspondence-Main Truckee Canal Chute with hand drawn sketches of the Carson Dam Spillway. 1-1919/5-31-1910

File 14 23-2-Lahontan Dam-Construction and Engineering:6-1910/12-1910

Correspondence and weekly reports:

Report on designs for Lower Carson Dam (9-16-1910)

“Study of Flood Flows of the Carson River in Relation to Proposed Dam for Storage Reservoir”
Portland (9-1910)

Reports on the Truckee Chute and the Carson Dam Investigation with preliminary estimate.

Design ‘F’ Carson Dam.

Experiments on material for drain-Umatilla Project (March-April 1906).

Correspondence pertaining to design ‘J’ and ‘Y’ Carson Dam.

Box #27-Contents (Continued)

File 15 23-2-Lahontan Dam -Construction and Engineering: 1911

Carson Dam/Carson Dam outlet conduit.

Report on special features Orland Project (1911) and designs for Lahontan.

Lahontan Dam specifications and modification of spillway.

Grouting of Lahontan

Correspondence dealing with land leveling on the Truckee-Carson Project

Advertisement-Lease of Rough-Leveled Tracts in Vicinity of Carson Lake ((9-10-1917)

Agreement for lease of lands for seeding-Carson Lake Tract.

File 31 **25-a-Lands: Entries/Homesteads (1908-1910)**

Includes land leveling applications

Abstract of title and contract for leveling entered lands and lands in private ownership.

Blue Print-#5215-42 Irrigable area map of farm unit "R: and district No. 13 school grounds

Blue Print-#5264-42 Map showing alkaline land in farm unit "H"

File 32 25-h-Lands: Leveling (1916-1919)

Correspondence and proposed contract for lease of land by I. H. Kent

Preparation of farm unit for F. M. Murchison.

Application of F. H. Sears for lease of land.

Land Leveling correspondence.

File 33 25-h-Lands: Leveling (1918)

Correspondence pertaining to land leveling, and leveling of lands with Government forces.

Box #38-Contents (Continued)

File 34 25-h-Lands: Leveling (1919)

Form of contract covering land leveling.

Authority for Leveling Land Is Petitioned For: "Project Manager Requested to Exercise Authority Granted Him to Permit Land Preparation"

Newspaper clipping-"Outlook for Settlers on Project Never so Encouraging as Now"

List of land leveling contracts

File 35 Duplicate Correspondence (1917-1919)

Box #39-Water User Census Forms (no date listed)

Box contains forms used for the water user census.

Box #40-Correspondence Files 1918-1929

Contains 33 File Folders

File 1 25-i-Lands: Open to Entry (1918-1925)

Correspondence pertaining to opening Carson Lake Leveled Lands-Truckee Carson Project.
Includes a table showing the number of farms available for entry at the date, the size of the farm units
and the cost of water rights (Nov. 15, 19118)
Press Bulletin-Newlands Project Land Opening (1922)

File 2 25-j-Lands: Ownership Status (1918-1923)

All correspondence regarding land ownership status.
2-Township maps
Blue Print-#3295-42 Water Rights Map to accompany report of D. W. Hays; Feb. 27, 1912

File 3 25-j-Lands: Ownership Status (1924-1929)

Township Diagram group No.96- Nevada
List of water right applications-Carson Division-Newlands Project which are embraced in the Truckee-
Carson Irrigation District as of May 31, 1924.
Petition for Annexation to the Truckee Carson Irrigation District
Settlement of project lands
Land Ownership-Newlands Project
Homestead entries

File 4 25-k-Lands: Purchase Real Estate (1905-1909)

Circular No. 25-1905 Purchase of Possessory Claims on Public Lands
Instructions concerning canal right of way-Reclamation projects.
Circular No. 94-1905 Allowance of second homestead entries.
Circular No. 101-1905 Reports of Engineers on Rights of Way.
Circular No. 125-1905 Acquisitions of lands and rights.
Circular No. 184 Supplement to No.124- Acquisition of Rights of Settlers on Un surveyed Public Land.
List of Donated Rights of Way-Truckee Carson Project.

List of Donated Rights of Way Acquired by the US during the fiscal year ended June 30, 1908.
Circular No. 35-Description of Property.
Memorandum No. 60 Acquisition of lands.
Memorandum No. 65 Possessory Title to Right of Way Purchase of Canal Systems.
Memorandum No. 97 Forms of deed for approval by the Asst. Atty.-General.

File 5 25-k-Lands: Purchase Real Estate (1918-1920)

Correspondence concerning Government right of way.
Blue Print #6119-42L.
Handling of abstracts of title.

Box #40-Contents (Continued)

File 6 25-k-Lands: Purchase Real Estate (1921-1924)

Correspondence and information regarding right of way Truckee-Carson Project
Proposed purchase of Southern Pacific lands within proposed Spanish Springs Reservoir site
Rights of way for drainage ditches
Blue Print #6908-22 "Prudler Drainage Investigation" (Oct. 1919)

File 7 25-l-Lands: Railroads (1903-1905)

Draft of letter to Southern Pacific Railroad Co. regarding lands owned by the company.
Reference to irrigable lands in the Truckee-Carson Project in the hands of the Southern Pacific Co.

File 8 25-l-Lands: Railroads (1906)

Regarding canal, power and telephone lines crossing the Central Pacific right-of-way.
Agreement with U. S. Geological Survey regarding railroad lands.
Sale of Southern Pacific R. R. lands.
Limits of R. R. Land Grant
Right of Ways and Location Notices.
1-blank copy "Ten Year Irrigated Land Contract"-Northern Pacific Railway Company"
Copy-Location Certificate of mill sites..
Truckee-Carson Project-Withdrawal of lands
The United States Should Agree With the Central Pacific Railway Company that: (4 pages).
Correspondence in reference to Department of the Interior and the Nevada Power, Mining and Milling.
Company (4 pages)
Right of Way applications.

File 9 25-l-Lands: Railroads (1907-2908)

Right of Way Applications and tracings
Notations on tracings

Information regarding lands

Memorandum to E. T. Perkins re: To the delay in the disposal of the lands owned by the Central Pacific Railroad on the Truckee-Carson project (4 pages)
Additional correspondence pertaining to railroad lands

File 10 25-l-Lands: Railroads (1908-1910)

Right of Way applied for by Golconda Cattle Company
Water right applications for railroad lands and Right of Way-Nev.-Cal, Power Co.
Application for Right of Way-Western Pacific Railway Co.
Notice of Water Appropriation June 22, 1909
Application for Right of Way for reservoir in Nevada and White Lake, Nevada
Application for construction permit, Walker River project
Application for Right of Way-Central Pacific Railway Co.
Application for Right of Way-Nevada Copper Belt Railway Company (5 pages)
Blue Print #2731-2 Map to accompany report on Central Pacific R. R. Rt-of-way North of Wadsworth

Box #40-Contents (Continued)

File 11 25-l-Lands: Railroads (1911-1914)

Water right payments and sale of railway lands
Central Pacific contract
Reference to water right payments on land bought from railroad companies.
Fallon Electric Railway
Status of Central Pacific Railway lands and proposed change in form of contract with settlers.
Issuance of deeds for railroad lands covered by water-right application
Sale of railroad lands, etc.

File 12 25-l-Lands: Railroads (1915-1920)

Correspondence pertaining to various railroad companies
Map-Distribution and Drainage System #7418 January 1906
Necessity for railway lands in Reclamation project
Railroad land deeds
Form of land sale contract and schedule of prices-Central Pacific lands
Advertisement-"Railroad Land for Sale" Irrigable lands within the Truckee-Carson Project in the State of
Nevada for sale by The Central Pacific Railway Company (1-25-1918)
Status of land
Public Notice-Newlands Project, Nevada (7 pages)
Township diagrams
List of Lands for Sale by Central Pacific Railway Company in Truckee-Carson Project
Blue Print #6282-13 General Map of Truckee-Carson Project-Nev

File 13 25-l-Lands: Railroads (1921-1925)

Appraisal and classification of Central Pacific Land Company's Lands

File 14 25-m-Lands: Withdrawals/Restorations (1902-1904)

List of certain lands to reserve temporarily from settlement and entry pending survey
Land segregation-Truckee Project

Withdrawal and classification of lands

Restoration of land, Nevada

Report on Application for Segregation Under Carey Act, In State of Nevada (Aug. 23, 1904) 10 pages

File 15 25-m-Lands: Withdrawals/Restorations (1905-1906)

Various circulars regarding withdrawal of lands in forest reserves

Blue Print-Map of Island in Truckee River below Reno *note: this island would make a nice city park

Cancellation of entry under Truckee-Carson Project

Proposed: Ruby Mountains Forest Reserve, Nevada Restoration of portion of withdrawn area.

4-25-1906

Withdrawals in Truckee- Carson project

Stanislaus Forest Reserve

Re: Charleston Mountain Forest Reserve

Withdrawal of lands-Yuba Forest Reserve

Memorandum No. 40: Withdrawals/Purchases of Lands under the Reclamation Act (8-25-1906; 12 pgs)

Restoration work in California

Experimental work of Forest Service

Box #40-Contents (Continued)

File 16 25-m-Lands: Withdrawals/Restorations (1907)

Township Plats

Blue Print-Farm Unit 'A'

Land withdrawals

General Map-Distribution and Drainage System (map #7418-Jan. 1906)

File 17 25-m-Lands: Withdrawals/Restorations (1908)

Petition for Restoration

Withdrawal of Lands

Proposed withdrawal for irrigation; purposes of Indian allotments

Nevada Segregation List

Forestry Withdrawals

File 18 25-m-Lands: Withdrawals/Restorations (1909)

Various correspondence pertaining to land withdrawals and restorations.

File 19 25-m-Lands: Withdrawals/Restorations (1910)

Restoration of Carson Sink

Township Diagrams

Notice of Restoration of Public Lands to Settlement and Entry (6 pages) Aug. 24, 1910

Memorandum in RE Withdrawal of Lands from Further Water Right Applications

RE: Report on Entries Upon Withdrawn Lands in Walker River

File 20 25-m-Lands: Withdrawals/Restorations (1911-1914)

Correspondence regarding the withdrawal and restoration of lands

File 21 25-o-Lands: Land Use: Forest Service: (1926)

File contains various copies "Executive Orders"

File 22 25-o-Lands: Land Use: Trespass & Saloons (1903-1913)

Various correspondence pertaining to the prevention of establishing saloons on public land along Truckee Canal.

Box #40-Contents (Continued)

File 23 25-o-Lands: Land Use: Forest Service (1906-1920)

U. S. Department of Agriculture

Forest Service, Office of Forest Extension

General Map of Distribution and Drainage System No. 7418 Jan. 1906

Experimental work of the Forest Service-Tree Planting Methods and Forestry Experiments

Report: "Forest Planting on Government Land" Truckee-Carson Irrigation Project

By E. O. Siecke, Forest Assist, Forest Service, March 1907 (15 pages)

The Weeks Bill-Sixty first Congress, First Session, H. R. 1178

1-Circular 204-Forest Products Laboratory Series "Strength Tests of Cross-Arms" issued June 5, 1912

By Thomas R. C. Wilson, Assist. Eng. In Forest Products

Correspondence pertaining to land used by the Forest Service.

File 24 25-o-Lands: Land Use: School Sites and Community Centers (1913-1923)

Water right charges for portion homestead entry sold for school grounds.

Blue Print #5638-42 showing location of Wightman-Smart/Union School.

Trustees of the West Side Community Water Users

Withdrawals for school purposes.

File 25 25-m-Lands: Fernley Erroneous Survey (1916-1922)

Amendment of farm unit to conform to official lands office plat.

Report on Fernley's Erroneous Survey

Map #5746-42 Fernley District.

Copy of land survey notes by Frank Coffin in 1903 of T 20 V., R. 25 E., M. D. B. & M (9 pages)

Copy of land survey notes by Barker & Eaton in 1898 of T 20 V., R. 25 E, M. D. B. & M (17 pages)
*(Sub division began Nov. 2, 1878)

Copy of land survey notes by John B. Menardi in 1905 of T 20 V., R. 25 E., M. D. B.& M

Copy of land survey notes by W. Epler in 1868 of T 20 V., R. 25 E., M. D. B. & M.

Copy of Land Office Survey #3002-14 (Township No. 20 North Range No. 25 East Mt. Diablo Base and Meridian)

File 26 25-m-Lands: Withdrawals/Restoration (1926-1929)

Lake Tahoe lands withdrawals and restorations to lands.

#7014-42B showing lands around Winnemucca Lake recommended for restoration to public domain.

RE: Lands withdrawn for construction purposes, mining claims and purchase of mineral claims.

Air Navigation Withdrawal Order Sept. 14, 1928

Box #40-Contents (Continued)

File 27 25-m-Lands: Withdrawals/Restoration (1922-1928)

Petition for restoration of certain lands-Newlands Project.

File 28 25-m-Lands: Withdrawals/Restoration

Request for information relative to G. L. O. surveys around Winnemucca Lake.

#7014-42B Plat showing lands around Winnemucca Lake recommended for restoration.

Walker Lake recommended for restoration.

Applications for homestead entries,

Opening of additional land to entry, amendment of farm unit plats.

Blue Print for application for restoration of lands in T11 Rgs 19 & 20 EM DM

Survey March 24, 1920 T11 Range No 29 E. Mt. Diablo Meridian, Nev.

File 29 25-m-Lands: Withdrawals/Restoration

Land withdrawals under Lovelock Branch

Restoration Order NV Segregation List No. 10 under Carey Act.

Cancellation of leases of withdrawn lands.

Circular No. 684 "Land Offerings at Public Sale"

File 30 25-m-Lands: Withdrawals/Restorations (1915)

Township diagrams, un surveyed land in Carson Lake, petition for restoration of lands and opening of public land to homestead entries.

Status of lands in and around Carson Lake.

Withdrawn lands recommended for restoration.

Results of Reclamation work from June 30, 1902 to June 30, 1915

Un surveyed land in and around Carson Lake-Truckee Carson Project (July 12, 1915) and includes present status of grazing leases of withdrawn lands in and around Carson Lake. (8 pages)

Map/Progress Report-"Truckee Carson Project Status of Land", according to letter of S. J. Rogers,

Register, USLO Carson City, Nev., dated June 26, 1915

File 31 25-m-Lands: Withdrawals/Restorations (1916)

Reference is made to un surveyed land in and around Carson Lake and the status of these lands. Correspondence referring to restoration to entry of certain lands. Includes recommendations for the withdrawal and restoration of lands. Status of lands: indemnity of school selection, Truckee-Carson Proj.

Map-Lands proposed for restoration.

Blue Print Map-#5291-20 Truckee Carson Project map showing ownership of lands around Carson Lake bordering on the meander line of 1881 (Sept. 1915)

Map #3619-23 (line drawn through this number)-Land, withdrawals, and restorations upper Carson Unit.

This map prepared from maps and data contained in reports of J. F. Richardson on Carson Valley Investigation-index nos. 3675-8A-3 and 3858-84-20, and from other data in Fallon office. (1916

Box #40-Contents (Continued)

File 32 25-m-Lands: Withdrawals/Restorations (1917)

Exchange of lands within Indian withdrawal because of land not being cultivated and/or poor soil (8 pgs)

Includes Blue Print #5756-42 "Status of Allotments Piute Indian Reservation"

Township diagram for land description "Township 19 N Range 30 E " April 1917

Petition for opening to entry Lahontan Bench lands.

Reference to statues of title to lands formerly under water of Carson Lake

Box #68-Correspondence Files from Supervising Engineers

The following files contain correspondence from Supervising Engineers regarding various topics of interest/concern such as:

- Homestead Applications
- Locating various employees on the Project and employment request
- Bids for construction of lateral ditches
- Purchase requests
- Request to use bridge over the Carson River and work completed on bridges
- Request for blue prints

Additional information is included only in certain files as noted.

Contains 23 Files

File 1 Correspondence (1905)

File 2 Correspondence (1905)

Includes sketch map July 1905 showing work of party of R. W. Hawley (Tp .19 N., Rg 28 E)

File 3 Correspondence (1905)

File 4 Correspondence (1905)

File 5 Correspondence (1905)

Reports from engineers are included.

File 6 Correspondence (1905)

File 7 Correspondence (1905)

File 8 Correspondence (1905)

File 9 Correspondence (1906)

File 10 Correspondence (1907)

File 11 Correspondence (1907)

File 12 Correspondence (1907)

File 13 Correspondence

Misc. invoices and catalogues; purchases and freight bills

Westinghouse Catalogue (1932-1938)

Cards-Foreman's daily report (1912-1923)

File 14 Correspondence (1909)

O. & M. reports on the Project and inventory accounts.

Box #68-Contents (Continued)

File 15 Correspondence (1909)

O. & M. reports on Project and inventory accounts.

File 16 Correspondence

Cost ledger classification book (May 1910)

File 17 Correspondence (1911)

Letters, invoices and freight bills.

File 18 Correspondence

Letters, invoices and freight bills

Includes reference to Colorado Fuel & Iron Co. 1912

File 19 Correspondence

Ledgers (1913-1915)

File 20 Correspondence

Blue prints #3877.42 (Feb. 1914)

File 21 Correspondence

Allotments for construction, repair work and Maintenance of Truckee Chute, telephone system
Carson Diversion Dam, Truckee Dam and Lahontan Dam

File 22 Correspondence (1913)

Recommendation for construction and repair work.

File 23 Correspondence

Record of expenditures authorized by engineers work orders (O. & M.)

Box #69-Daily Water Reports

Tied bundles contain daily water reports (1926)

The districts included in these daily water reports include:

Factory District

Indian

Stillwater

Grimes

Smart

Island

AA

Diversion

Lahontan

Fernley

Box #70-Misc. Records

Contents include:

4 Water Delivery Record Books (1921)

Misc. Cards-Water Records (1918)

Various Cards-Automobile Daily Report (1912)

Canal Records/Cards (1921)

3x5 Index Cards Alphabetical Order-Terms and Information

3x5 Index Cards (large bundle) Includes Terms and Information

Cards-Weekly Water Report (1911)

Box#71-Purchase Orders and Vouchers

Purchase orders and vouchers for supplies, purchases and services other than personal.

Contains 16 File Folders

File 1 **Purchase Orders/Vouchers #9728-9745**

File 2 **Purchase Orders/Vouchers #9746-9770**

File 3 **Purchase Orders/Vouchers #9771-9785**

Includes 5 copies of blue print #11-266,
Truckee-Carson Project; Fallon Sub-Station Building Details (1912)

Specifications No. 1651-Advertisement, Proposal and Specifications Construction of Sub-Station building (June 27, 1912) Dept. of the Interior, U. S. Reclamation Services

Box #81-Daily Water Records

Daily Water Records For: (1920)

Grimes District

Indian District

Soda Lake District

Factory District

Island District

St. Clair District

A-A District

Diversion District

1-Binder: Authority to Deliver Water to Renters- Season 1919

1-Folder: Misc. Daily Water Records-July 1918

1-Memorandum of Bill of Lading-Dec. 1912-April 1913: #102560-102250

4-Water Delivery Record Books: 1924

1-"The Disposal of Strawboard & Oil-Well Wastes"

By Robert Lemel Sackett and Isaiah Bowman

Dept/Interior U. S. Geological Survey paper No. 113

**Box #82-Daily Water Report
Purchase Orders
Bills/Receipts**

Contains 8 Files:

File 1 **Bills of Lading #30901-50599. (Nov. 1904-June 16, 1911)**

File 2 **Bills of Lading #86399-93991. (July 10, 1924-Dec. 30, 1925)**

File 3 **Bills of Lading #142299-142001. (June 1914-Oct. 1914)**

File 4 **Bills/Accounts Requisitions and Bills for Collection . (June 1916-Dec. 1916)**

File 5 **Report 1: Tables of Climatological Data; Stream Flow 126 pages**

Includes:

“Blue Book (PL’S EXH. No. 64) and Red Book (PL’S EXH. NO. 65) Method of Calculating Virgin Flow of the Gila River at its Mouth 4 pages.

File 6 **Unit Cost Report/Distribution. 1905**

File 7 **Monthly Cost Reports. 1910**

File 8 **Monthly Cost Reports/Misc. Papers and Receipts/Accounts. 1905**

1 Box-Forms #7-409 (6012-7309) 1924-1925

1 Box-Forms #7-409 (5891-7316) 1924-1925

Treasurer of the U. S. Receipts

**Box #83-Daily Water Reports
Purchase Order
Bills/Receipts**

Files contain numerous purchase orders, bills/receipts, daily water reports, monthly reports and classification books.

Contains 15 File Folders

File 1 Purchase Orders (April 1917-Dec. 1917)

Various Purchase Orders

Includes 1 blue print #5643-42-Screw System, Gate Lifting Device for Lateral Turnouts
Made at Lahontan, Nevada (Oct. 9, 1916)

File 2 Purchase Orders (1915-1917)

File 3 Bills (1916-1917)

Copies for Collection

File 4 Bills (1917)

Copies for Collection

File 5-8 Bills/Receipts (1917)

File 9-11 Daily Water Reports (1919)

Includes various districts.

File 12 Summary of Classification Books (Nov. 1920-Feb. 1921)

File 13 Bills for Operation & Maintenance (1919)

Includes Journal Vouchers and Daily Water Reports

File 14 Purchase Orders

File 15 Monthly Report Estimates (1912-1914)

Contains Certificate of Deposit for Checking Account (1918-1926)

Statement of Controlling Charges in Classification Book (1928-19129)

Box #84-Fiscal Records
General Classification Book

1-Binder: Papers in Connection with Fiscal Records/Account of George B. Snow, S.F.A.

1-Total Book: 1907

Misc. letters and papers
Blue print: Lahontan Dam (Feb. 1913) Adv. #18888
7ft. C. I. Sluice Pipes Gate Chamber to Outlet Conduit #3582-33

Box #101-

1-Classification Book-May 1913

1-General Classification Book-May 1916

1-Binder: Disbursing Account-June 1914 thru Aug. 1915

2-Maps: #7420 Dist. No. 4, 5 and part of No. 6-"Lateral Distributing System" Jan. 1906

Contains 15 File Folders:

File 1 Water Delivery Report, Mileage/Gas Records (1918-1919)

File 2 2-General Classification Books (Sept. 1916 and Jan-April 1919)

File 3 Classification Book (May-Aug. 1919)

File 4 Accounting Records (1907)

Journal vouchers, monthly transfer statements, receipts, labor Recapulation and purchase orders.

File 5 Accounting Records (1906-1907)

Purchase orders, receipts and disbursements.

File 6 Freight Bills (1911)

Includes receipts and memorandums.

File 7 Memorandums, Misc. Papers

Abstract of disbursements (1910), labor statements (1914), services of government animals and monthly statements of mercantile store (1914)

File 8 Monthly Reports

Credit stores accounts, receipts (1923)

1-torn map Fallon and Fernley Dist.

“Decisions Relating to the Public Lands” (pages 161-...not identification)

Box #101-Contents (Continued)

File 9 Misc. Items

1-Report: U. S. Geological Survey, Reclamation Service

“Ground Waters of Carson Sink:

By Herman Stabler (51 pages)

Balance of water users’ ledger-debits to Dec. 1, 1909 (balance struck Feb. 9, 1910)

Various concrete/concrete chute reports (1907)

Blue Prints:

2-Plan of Combined Fall and Waste Way Station d 126+00 Truckee-Carson Project

1-Concrete Structure at Sta. 146+95 “AA” Line Truckee-Carson Project

1-Isometric Sketch Structure at 159-40 “AA” Line Truckee-Carson Project

Map #6042: Carson Sink Valley Underground Waters Chemical Investigation CHLORINE map.

Map #6043: Carson Sink Valley Underground Waters Chemical Investigation ALKALI map.

Map #6044: Carson Sink Valley Underground Waters Chemical Investigation SULPHATE map.

Map #6045: Carson Sink Valley Underground Waters Chemical Investigation CARBONATE map.
Map #6046: Carson Sink Valley Underground Waters Chemical Investigation lines showing depths to water. (All maps surveyed in 1904)

File 10 Memorandums/ Vouchers (1917)

Vouchers/memorandums for purchases/services other than personal. Includes advertisements/bids.

File 11 Invoices and Bills (1911)

Includes freight bills, receipts, purchase orders for goods/services and invoices.

File 12 Memorandums/Vouchers (1917)

File 13 Project Monthly Cost Reports and Journal Vouchers (1907-1909)

File 14 Inventory Accounts (1909)

Building and Incidental Operation Expense Statements.

File 15 Project Accounting

Monthly cost report (1909), engineer-work orders (1913), vouchers (1909) inventory accounts (1909)

Box #102-Collection Vouchers (1920)

These files contain various bills for collection for goods and services purchased for use on the project. Includes correspondence, memos., receipts, purchase orders and copies of advertisements of goods.

Contains 22 File Folders:

File 1 Collection Vouchers #163-292 (Jan. 1920)

File 2 Collection Vouchers #901-1056 (April 1920)

File 3 Collection Vouchers #1057-1230 (May 1920)

File 4 Collection Vouchers #1231-1316 (June 1920)

File 5 Collection Vouchers #1-119 (July 1920)

File 6 Collection Vouchers #120-229 (Aug. 1920)

Box #103-

1-“Legal Aspects of Hydro-Electric Development of Rivers and Lakes of Common Interest”
United Nations-Economic Commission for Europe Committee on Electric Power
Geneva, January 1952-State of Nevada “Report of Colorado River Commission of Nevada”

“United States Government War-Savings Stamps-What They Are and Why You Should Buy Them”
1917 (8 pages)

File 5 40-1. Purchasing (1903-1905)

Western Union Telephone Company-Purchase of telegraph poles

File 6 40-1. Purchasing (1905-1910)

Includes correspondence regarding various Washington, D. C. Circulars

File 7 **40-1. Purchasing (1909-1910)**
Correspondence regarding purchasing of concrete pipe

File 8 **40-1. Purchasing (1912-1913)**
Pulman Auto Accident

File 9 **40-1. Purchasing (1915-1917)**
Purchase of stock/mules. Includes advertisements/proposal and acceptance.

Box #152-(Contents Continued)

File 10 **40-1 Purchasing (1921-1922)**
Miscellaneous correspondence regarding invoices, advertising for bids, purchases and freight.

File 11 **40-1 Purchasing (1923)**
Correspondence regarding miscellaneous purchase orders, advertising for bids, invoices, and purchase vouchers pertaining to items and services purchased for the Project.

File 12 **40-1 Purchasing (1924)**
Purchase requisitions, invoices, vouchers and miscellaneous correspondence related to purchases.

File 13 **40-1 Purchasing (1925)**
Correspondence related to purchases to be made and various invoices, letters, and advertisements.

File 14 **40-1 Purchasing (1926)**
Correspondence related to various items of purchase. Misc. letters and inquiries.

File 15 **40-1 Purchasing (1927-1929)**
Miscellaneous correspondence regarding purchases for items and services, invoices, and advertising.

File 16 **41-Quarters and Buildings (1904-1910)**
Correspondence pertaining to headquarters at Hazen, Nevada and moving them to Reno. Includes various letters requesting supplies, refurbishing government cottages, and constructing a station at Hazen, Nevada and the rent of buildings at Hazen.

File 17 **41-Quarters, Buildings (1914-1919)**
Information regarding construction of cottages, disposal of temporary camp buildings and proposals for new buildings.

File 18 **41-Quarters, Buildings (1920)**

File 19 **41-Quarters, Buildings (1921-1923)**

File 20 **41-Quarters, Buildings (1924)**
Rental of government of government cottages

File 21 **41-Quarters, Buildings (1925)**

File 22 **41-Quarters, Buildings (1926)**

File 23 **41-Quarters, Buildings (1927)**
Correspondence regarding rental of cottages, and transfer of building lease

Box #152-(Contents Continued)

File 24 **41-Quarters, Buildings (1910)**
Correspondence dealing with commissary and storehouse issues.

File 25 **41-Quarters, Buildings (1911)**
Sale of buildings at Hazen, Nevada.
Blue Print-#2871 Hazen Headquarters (March, 1911)

File 26 **41-Quarters, Buildings (1912-1926)**
Building leases

File 27 **41-Quarters, Buildings (1907-1921)**
Insurance survey

Box #153-Correspondence Files

Contains 17 File Folders

File 1 **42-Reclamation: National and General (1918-1919)**
Information on drainage investigations, press releases and misc. correspondence
Upper Carson Project (12 pages)
Truckee Meadows Drainage Project (17 pages)
Outline of reports on secondary projects and extensions of existing projects
RE: Work and homes for returning soldiers, Truckee-Carson Project
Report-“Nevada” (7 pages) 1904

Department of the Interior, Franklin K. Lane Secretary
Summary of “Soldier Settlements in English-Speaking Countries”
By Elwood Mead (28 pages)

File 2 **42-Reclamation: National and General (1919)**
Correspondence regarding soldier settlement legislation.

File 3 **Washington Office Information (1909-1910)**
Organization lists and monthly programs.
31-Issues of “The Reclamation Record” (1908-1910)

List of 24 B/W 5x7 photographs in report. (Not in order-for identification only).

- 1-Truckee Canal Break April 18, 1918-View of break in Canal Bank from Railroad
- 2-View showing damage by wave wash to S. P. Ry. Grade by Truckee Canal break of April 18, 1918
- 3-Truckee Canal Break 4-18-1918-View showing "Ky" Lateral drop washed out by water from break.
- 4-View showing old "Ky" Lateral chute washed out by water from Truckee Canal break of 4-20-1918.
- 5-New "Ky" Lateral Flume above 63' drop. Constructed 1918
- 6-Truckee Canal Break April 81, 1918. General view showing water ponded between canal and railroad.
Looking toward Lahontan
- 7-View showing S. P. Ry. Grade at culvert which was plugged up causing water to be ponded between grade and canal embankment thus saving both from serious damage.

Box #162 File 7-(Continued)

- 8-View of Truckee Canal break of April 18, 1918, taken from S. P. Ry. Track directly opposite break showing how ponded water backed into canal which permitted by-passing water to the Lahontan power plant during repair of break.
- 9-Land leveling Truckee-Carson Project. Difficulties encountered in leveling on lands of the Frank Ranch and Cattle Company. Tractor stuck in soft ditch.
- 10-Carson Lake Pasture Ditch-looking south along E4' Lateral Extension at the Northeast corner of Carson Lake Pasture.
- 11-Construction of Timber Rock Filled Crib Check Structure in Truckee-Canal Sta. 1053+20 during April, 1918. Placing brush rip-rap paving.
- 12-Construction of Timber Rock Filled Crib Check Structure in Truckee-Canal Sta. 10... (can't read) during April, 1918. Placing brush rip-rap paving.
- 13-Fernley Drain Construction-Timber bridge at road crossing over Fernley Drain No. 1. Branch No. 1.
- 14-Grimes Pasture Ditch-"LF" Lateral Extension. Looking north from junction of Laterals
- 15-Carson Lake Pasture Ditch-91' Lateral Extension, looking North. Check structure Grimes Ranch turnout and culvert under Lincoln Highway in foreground.
- 16-Carson Lake Pasture Ditch-Looking north from lower end of E4' Lateral Extension.
- 17-Construction of Timber Rock Filled Crib Check Structure in Truckee-Canal Sta. 1053+20 during April, 1918. Placing brush rip-rap paving.
- 18-Installation of Timber Rock Filled Crib Check Structure in Truckee Canal Sta. 1953+20 during April, 1918. Looking upstream.
- 19-Upper Carson Unit Investigations-East Abutment of Horseshoe Bend Dam Site, looking downstream.
- 20-Upper Carson Unit Investigations-West Abutment of Horseshoe Bend Dam Site, looking downstream.
- 21-Upper Carson Unit Investigations-General view of Horseshoe Bend Dam Site, looking downstream showing spillway gap to right.
- 22-Construction of Timber Rock Filled Crib Check Structure in Truckee-Canal Sta. 1053+20 during April, 1918. Placing brush rip-rap paving.
- 23-Fernley Drain Construction Timber bridge at crossing over Fernley Drain No. 1 Branch No. 1
- 24-Land Leveling Truckee-Carson Project. Difficulties encountered in leveling on lands of the Frank Ranch and Cattle Company. Tractor stuck in soft ditch.
- 25-Old Island District ditch house replaced in 1918 by standard type dwelling shown on next page.
