The NHS Q-the Latest Version of the NHS Quarterly

All members of the NHS have received an email from Project MUSE to create an online account. You will be able to view the newest *NHS* Q articles, notes & documents, and book reviews as they are published.

The following pages show what you need to do now that you have received the email if you wish to have on-line access.

Project MUSE hosts the new 'Q' content from 2023. Our historic publications beginning with Summer 1957 to Spring/Summer 2019 can be viewed on our website under the *NHS* Q Publication tab: <u>NHS 'Q'</u> <u>Publication | Nevada Historical Society (nvhistoricalsociety.org)</u>.

Access to the Nevada Historical Society Q Digital Journal—Project MUSE

1. You will have received an email invitation in January headlined "*Project MUSE: ACCESS TO CONTENT GRANTED*". This is for initial access to the on-line *NHS* Q at Project MUSE. If you want digital access (rather than waiting for the end-of-the-year "best of" volume), click on the link about halfway down the invitation.
